Each groom must please bring a grooming kit. It should include: a body brush, dandy brush, rubber curry, mane comb and hoof pick. The kit should be contained in a grooming bag or box, and all these items should be marked with his name. We are able to supply these items separately, or in a complete kit for R265.00 (Save R50.00 on the cost of buying the items separately).

On the first day, the course will start and end at Pam Botha's yard, Glen Austin Stables, in Glen Austin. A map and directions will be sent separately. On the second day, the course will also start at Pam's yard, but we will fetch the grooms during the day, and the course will end off at Groenvoer. A map and directions will be sent separately. Please fetch your groom from Groenvoer's premises on that second day.

The course will start at 8.00am (for 8:30am) and finish at 3.30pm. Lunch and tea will be provided.

We will ask all the literate grooms to fill in a course assessment form at the end of the course. We will also ask each employer to fill in feedback forms to give us an idea of your groom's work performance improvement, and also ideas for improvements to course content.

Please call us if you have any further queries.

Kind regards

The Khoury family and all at Groenvoer
